Early Spring Flowering Bulbs *these bulbs will bloom in March for the Winchester area*

#1 Trout Lily – White Beauty
Erythronium revolutum 'White Beauty'
10 bulbs for \$29.00

A petite variety, these flowers emerge as soon as the ground thaws. 2"-wide, cream-white flowers mature to white. Stems grow to be about 8" tall.

#2 Winter Aconite
Eranthus cilicica
50 bulbs for \$30.00

One of the earliest spring bloomers, this deer-resistant heirloom dates back to 1892 and produces diminutive lemon-yellow flowers. Great for rock gardens, woodland gardens, and even naturalizing in the lawn.

#3 Hyacinth Blend
Hyacinthus orientalis
25 bulbs for \$37.00

Pastel pink, blue, and white, are included in this blend of intensely fragrant flowers. The bold blooms and sweet scent of hyacinths make them a standout in borders, containers, and cutting gardens.

#4 Daffodil “Snipe”

Narcissus ‘Snipe’

25 bulbs for \$32.00

A Welsh heirloom bred before 1948 by Alec Wilson, this award-winning daffodil is new to the commercial industry. Features include a unique star-shaped flower of elegant white petals with a pronounced yellow tubular center. Height 4–8".

Mid-Spring Flowering Bulbs

these bulbs will bloom between late March through April

#5 Guinea Hen Flower

Fritillaria meleagris

50 bulbs for \$27.00

Also called the checkered lily, these delicate bell-shaped flowers perch atop 15" tall stems checkered in dark colors of reddish-brown and purple. Deer do not browse on these mid-spring bloomers. Left alone, they will gradually naturalize in the shady garden.

#6 Windflower – Blue shades

Anemone blanda

100 bulbs for \$39.00

Native to Greece, these small daisy-like blue flowers bloom above fern-like foliage. Typically growing 4–8" tall, they form a nice carpet of color. Soak tubers before planting and place 3–5" apart. Deer resistant. Will go dormant in the summer. Can be used in a container.

#7 Tulip – Apricot Foxx

Tulipa ‘Apricot foxx’

50 bulbs for \$39.00

Soften mass plantings with this two-tone pastel tulip. The apricot-raspberry blooms deepen in cooler temperatures and take on a buttery caramel hue in warmer weather. Ages beautifully in all stages of bloom. Height: 18–20".

#8 Species Tulip – Peppermint Stick

Tulipa clusiana 'Peppermint Stick'

50 bulbs for \$38.00

This graceful species tulip is pink on the outside but opens to show off a white interior with a purple heart. This bulb perennializes better than many other tulips, providing years of pleasure.

#9 Peony Tulip Mix

Tulipa sp.

25 bulbs for \$29.00

This blend of orange, yellow, pink, and white peony tulips will make a splash in any landscape. These double tulips always get a lot of attention and put on a fantastic show mid-to-late April. Height 18–22".

#10 Spanish Bluebell–Queen of the Pinks

Hyacinthoides hispanica 'Queen of the pinks'

25 bulbs for \$25.00

A pastel, lavender-pink selection that naturalizes well in woodlands. At around 12" tall, this elegant heirloom variety prefers light shade or dappled sunlight. Deer- and rodent-resistant. Self-sows and matures over the years, becoming more substantial and prolific.

Late-Spring Flowering Bulbs

these bulbs will bloom between early May and early June

#11 Allium – Globemaster

Allium 'Globemaster'

5 bulbs for \$39.00

Produces 8–10" globes of hundreds of aster-violet, star-shaped florets atop 3-foot stems. A late-blooming bulb ideal for cutting or drying. Seen in the MSV Perennial and Knot Gardens, where it rises just above the boxwood hedges. Deer resistant.

#12 Allium – Arctic Snow

Allium schubertii 'Arctic snow'

10 bulbs for \$49.00

NEW

This garden standout features 12" umbels of delicate white blooms on stems ranging from 1/2" to 8" long. Charming during and after bloom, with airy, flower-producing seed pods. Its giant flowers attract pollinators and make magnificent additions to cut arrangements. Height: 14–16".

Summer Flowering Bulbs

these bulbs will bloom between late June and late August

#13 Orienpet Lily – Corcovado

Lilium 'Corcovado'

10 bulbs for \$38.00

NEW

A new variety! Show-stopping, elegant, and fragrant, this exotic lily features apricot-gold blooms. Named for Mount Corcovado, home to Rio's *Christ the Redeemer* statue, it adds bold color to sunny gardens long after most bulbs fade. Height: 4–6'.
