## ABOUT THIS YEAR'S PICTURE:

Color or paint this picture that celebrates the New Year's Eve and the special MSV exhibition *Destination: Latin America*. The artwork in the drawing was inspired by the photograph *Ceci n'est pas une voiture I (This is Not a Car)* by Betsabé Romero on view in *Destination: Latin America*. The exhibition includes more than 60 paintings, photographs, prints, books, drawings, and sculptures by Mexican, South American, and Caribbean artists spanning six decades, from the 1950s to late 2010s, and features some of Latin America's most celebrated artists. Organized by the Neuberger Museum of Art and on view through January 8, 2023, the MSV display of *Destination: Latin America* is sponsored by Shenandoah Oncology and iHeartMedia.
