Senior Hour at the MSV

May 17, June 21, July 19 & August 16
9–10 a.m.

The MSV galleries building is now open for a Senior Hour! One Wednesday morning each month, the Museum's exhibitions will be open exclusively to ages 60+ before the galleries open to the public. **Admission is FREE to seniors during this visiting hour**, so bring your friends or drop by and meet new ones!

Attendees may explore the exhibitions on their own or join an educator for some guided looking and discussion. Each session at 9:45 a.m., MSV Director of Education Mary Ladrick will be in the galleries for an informal conversation about one of the paintings in the exhibition *With Lyric Brush: John Chumley's Valley*. The Museum Store will be open during these special monthly visiting hours (gardens not open during Senior Hour).
